

Bushbury Blog

Bushbury Hill Primary School, Wolverhampton, WV10 8BY.

Tel: 01902 558230

Dear Parents,

This week we have been focusing on eating healthily, making sure we eat our 5 portions of fruit and veg each day and also ensuring that we eat all of our lunch and don't waste food. The school council have been asking their classes, which are their favourite and least favourite hot dinners and I have fed this information back to our catering team so that we can make appropriate changes to the school menu, which are both popular and healthy. I will let you know more about the new menu which will start after Easter, later on this term.

Governance of Bushbury Hill Primary School

I am pleased to announce that two new parent Governors have been elected by yourselves; Miss Amanda Martin and Miss Robyn Morris, both have children in the school and will now serve their 4-year term, as parent Governors of Bushbury Hill. I would like to thank them for taking the time to apply and demonstrating their commitment to the children of Bushbury by applying to become a parent Governor. The Governors of Bushbury are very pro-active and like to be involved and know what is going on in school. The following paragraph is written by Mr Warner, our Chair of Governors as he would like to inform you as to what the Governing Body have been doing so far this term to support the school and ensure that we are doing everything we can to make the required improvements and to provide the very best for your children:-

"The Governors have begun the term by showing their support and challenge to the school by visiting to see the Read, Write, Inc session that starts your children's learning each morning. The children were all well engaged and enjoyed all the activities that staff had planned for them. This was good to see as the learning was so purposeful. Another group of Governors, also took part in a learning session themselves, with our Headteacher, Mrs Mason leading us in understanding, 'Raise on Line', which is the information showing the attainment and progress being made by the children and which OFSTED inspectors use in making some of their judgments about how well your children are doing in their learning. As a result of the hard work of teachers and support staff, Governors are reassured that there is on-going improvement in your children's learning. There is still more work to do but great efforts are being made to give the children the best possible start! Please give your support to the children too, by encouraging them to do their best always."

If you would like any information about the school Governors, please do not hesitate to contact myself or Mr Warner can always be contacted through the school office.

Yours sincerely,

Kay Mason
Headteacher

Weekly Awards

Headteacher awards

Isaiah Samuels (Y3), for genuine kindness and help given to another child who was upset.

Mikayla Green and **Tia Hines (Y1)**, for fabulous winter poems that they have written, independently.

Hollie Jurance (Y4), for taking the time to write a lovely letter to 2A, to thank them for their wonderful class assembly.

Ashlyne Makombe and **Phoebe Goodyear (Y2)**, for singing solos so beautifully in 2A's class assembly this week.

Akaya McKenzie-Beckett – for a real improvement in behaviour and attitude.

Congratulations to 2A, for a fabulous class assembly this week and thank you to all the friends and family who took the time to come to enjoy the assembly and to support their child.

Please ensure that children are have warm and waterproof coats on when they come to school as the conditions are particularly wet and cold, at the moment. Thank you.
