Dear Parents,

Our theme this week has been New Year Resolutions and our whole school New Year Resolution which is: 'RESPECT'. Children discussed, what respect is and we all agreed that if you; 'Give respect you get respect' and respect means; 'to treat others as you would like to be treated'. It was a credit to all the children that I was able to use so many positive examples of respectful behaviour from children that we see on a daily basis in school. We talked about being respectful towards our peers, to members of staff and to our school environment.

Our New Year
Resolution:
"To always
respect others."

Breakfast club continues to be very well attended with well over 100 children each day. Please note that the doors **open at 8am** and then the doors **close at 8:25am**, as staff on the door, do need to be in the hall when we have so many children to ensure that everyone has had breakfast and a positive start to the day is being had by all.

School Uniform is a really important part of Bushbury Children being excellent role models for the school and feeling a pride for their school community. Children are a real credit to the school and yourselves when they are smartly dressed in full school uniform. Please can you all ensure that all children are wearing the correct uniform, which includes black shoes NOT trainers, unless there is a reason that I am aware of. Thank you all.

Also attached, is a form for updating your contact details. Please can you all complete this form and return to the school office asap. If you have more than one child in school, you only need to complete 1 form per family. We do have to contact parents during the school day for a variety of reasons and if we are unable to contact parents in the event of accidents and illnesses it could cause children unnecessary upset and anxiety, which none of us would want to happen.

I wish you all a very enjoyable weekend and look forward to seeing you again next week.

Yours sincerely,

Kay Mason
Headteacher
